 **Round
It Up**
COMING *Soon*

Automate Your Change into Savings

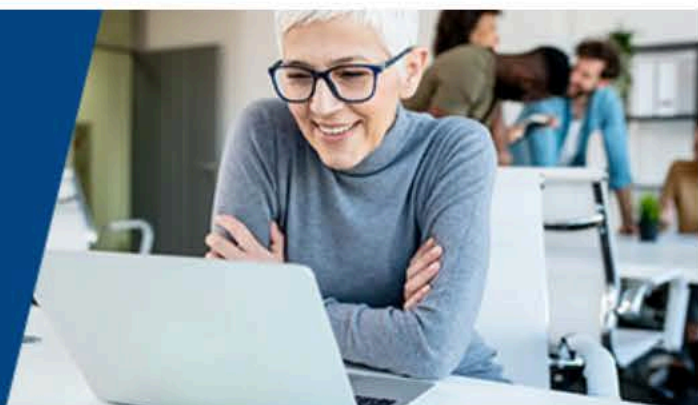

Our Round It Up feature (*Coming Soon*) operates similarly to an automated savings account. Whenever you make everyday transactions with your debit card, the amounts are rounded up to the nearest dollar, and the spare change is then moved into your designated Foothill savings account.

For example: If you bought an iced coffee with your debit card for \$4.25, it would be rounded up to the nearest dollar which in this instance would be \$5.00. The remaining \$0.75 (difference from \$4.25 to \$5.00) would then be deposited into your savings account the next day, along with other Round It Up transactions.

Once Round It Up is live, you can enroll for it by logging into your digital banking, and clicking "Round It Up", found under the Accounts tab. If you'd rather speak to a Foothill representatives, call us at 626-445-0950.
