BUMP-UP Certificates

High-Yielding Certificates (New or Roll-over Money)

Open one of these certificates (\$2,000 minimum deposit) and if the rate increases during the term, give us a call to have it bumped-up to that higher rate, which means more earnings for you. You can open a certificate via [online banking](#), calling us at 626-445-0950, or by visiting one of our [three branches](#).

*APY = Annual Percentage Yield. APY assumes that dividends will remain in the account until maturity. Penalty for early withdrawal. Minimum Balance of \$2,000 is the minimum required in to open Term Share Certificate and earn dividends. No maximum, although, a member's total aggregate deposits may not exceed \$2.5 million. Early withdrawal penalties do apply which may reduce the principal. No additional deposits can be made during the term of the promotional certificate. At maturity, certificate will automatically roll over to the standard 6-month or 12-month certificate with corresponding rate at that time, unless otherwise specified by the member prior to maturity date.

How the Bump-up Works: If the FED increases rates and Foothill makes rate adjustments to CDs; the member can request a one-time bump to increase their rate by calling us at 626-445-0950. This must be initiated by the member within the term of the Certificate.

MEMBER Referral

Happy INTERNATIONAL CREDIT UNION DAY

We're Celebrating You!

Credit unions strive to make the world a better place for their members by offering affordable rates and high-quality service that simplify their lives and empower them to meet their financial goals. As cooperative and democratic financial institutions, credit unions' success depends on the success of their members and their community. Your best interest is in our best interest.

This October 20, we celebrate you, our members, because you are the reason why we exist. Happy International Credit Union Day.

We do business in accordance with the Fair Housing Law and Equal Credit Opportunity Act.
