# Zelle Scams

## Zelle Scams on the Rise. Protect Yourself.

Digital money movement scams are on the rise. Scammers are targeting payment methods like Zelle that allow them to receive funds quickly, and difficult to later trace and recover. To protect yourself from being a victim, here are some individuals you should NEVER transfer money to:

- Anyone who claims to be from a government agency
- Any stranger, no matter what reason they give
- A telemarketer trying to sell you something
- Anyone claiming your account is compromised
- Unauthorized, unverified cryptocurrency sites or salespeople
- Anyone asking you to send money to yourself

And remember, refunds are not issued through Zelle®. If somebody calls you and offers a refund via Zelle®, hang up the phone and contact us at 626-445-0950.

And most importantly, **DO NOT GIVE OUT ANY PASSWORD OR ONE-TIME PASS CODES**. Foothill will never reach out to you by phone, text or email to ask for information you received via text (SMS) or pressure you to reset your online banking password.
